1. This Office action is in response to the communication dated 5/14/07.

- 2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
- 3. Claims 1-31 are provisionally rejected under 35 U.S.C. 101 as claiming the same invention as that of claims 1-31 of copending Application No. 10/690,459. This is a provisional double patenting rejection since the conflicting claims have not in fact been patented.

Response to Arguments

Argument 1:

"Since this is a <u>provisional</u> double patenting rejection, the Applicant wishes to notify the Examiner that upon granting of the Petition for the Acceptance of an Unintentionally Delayed Claim for Priority filed February 22, 2007, the Applicant will expressly abandon copending Application No. 10/690,459 which includes claims 1-31. Thus, the canceling of conflicting claims 1-31 of copending Application No. 10/690,459 will overcome the double patenting rejection since the claims will no longer be coextensive in scope."

4. Applicant's arguments filed 5/14/07 have been fully considered but they are not persuasive.

Response to Argument 1:

As of the writing of the Office action, the Petition filed 2/22/07 has yet to be accepted or dismissed. Until a decision has been made, the above rejection stands.

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to John A. Tweel, Jr. whose telephone number is 571 272 2969. The examiner can normally be reached on M-F 10-6:30.
